Cocktails

Negroni – Count Camillo Negroni asked his favourite bartender to strengthen his favourite cocktail the Americano. The soda water was removed and replaced with gin for a cocktail with real bite!

Sweet Martini, Campari & gin, blended together over ice with a slice of orange & lemon. 9.75

Godfather – Marlon Brando’s favourite tippie at the time of filming the 1972 film adaptation of Mario Puzo’s novel. Don’t have too many, you may betray the family.

Amaretto & scotch over ice with a slice of orange. 9.75

Dolce & Gabbana – or the D&G, is a fabulous modern Italian icon. Created by Bar Martini to represent the refined glamour of the Italian fashion house after which this cocktail is named.

Grey Goose vodka, Martini Extra Dry, orange juice and fresh strawberries are muddled together, shaken with ice and served in a martini glass. 9.95

Bellini – Created by Harry’s Bar founder Giuseppe Cipriani and named after the 15th century artist, this cocktail has real history and gravitas. A Venetian classic and one of our favourites.

Peach purée topped with prosecco. 9.95

Cenetta Porn star – Our recipe is a homage to local heroes the Cocktail Wizards. We don’t use fruit syrups or artificial flavourings. Our porn star is full on booze!

Vodka & Passoã shaken over ice. Served with half a passionfruit and a shot of prosecco on the side. 9.75

French Martini – Not much French about the pineapple and vodka, but when a cocktail is this tasty, who cares.

Vodka, Chambord & pineapple juice, shaken over ice served with fresh raspberries. 9.75

Sicilian Iced Tea – Clearly not all the best iced tea is from Long Island. Aromatic and zesty, with one hell of a punch. This is not a cocktail for the faint hearted.

Gin, Amaretto, Cointreau & vodka mixed over ice and topped up with coke and a slice of lemon. 9.95

Dessert Cocktails

Espresso Martini – Make your own (we don't mean actually shake it yourself!) You choose what extra flavour to add to this classic.

Vodka & Kahlúa shaken with chilled espresso. Add your choice of: Toffee vodka, Cointreau, Baileys or Amaretto.

Served with or without an indulgent layer of cream.* 9.75

Cenetta Latt-ini – Whilst looking for an after dinner cocktail that would tempt our guests with no room for a dessert, the Cenetta team invented the latt-ini. A rich, creamy, coffee cocktail with plenty of alcohol.

Vodka, Kahlúa, Frangelico & Baileys blended with chilled espresso, topped with chocolate.* 9.95

Tiramisu Martini – Our favourite Italian dessert as a boozy cocktail – what could be better?

Khalua, Amaretto & Baileys shaken together over ice. Topped with thick cream, cocoa and served with a savoiardi biscuit and a spoon! 9.95

Strawberry Shortcake – Thick and luxurious, this summer berry cocktail is a bit like a boozy milkshake (without the milk)

Strawberry puree is blended with bailey's and crème de cacao blanc then shaken with ice. Strained and finished with shortbread biscuit crumbs and freeze dried raspberries. 9.75

Cloud Nine – An ice cream cocktail with a toffee fudge flavour. You may well want a spoon and a straw for this one

Toffee vodka, shaken with bailey's and vanilla ice cream. Strained into a glass with butterscotch sauce. 9.75
